Dedication . . .

It is with great pride that we the class of 1967 turn to Mr. Baldwin. He is an example of a man whose foundation for accomplishment is solidly set in Christ. Mr. Baldwin has been instrumental in guiding Marion College financially through a difficult period of her growth. Since his arrival in 1951 Marion College has grown from the small physical plant on the Old Triangle to what we see today. Even now his desk is not clear but is filled with the plans for continued growth. Since his arrival we have acquired much surrounding property. The buildings completed or acquired include Williams Hall, McConn Chapel, Student Center, Shatford Hall, College Library, and already on the drawing board are the Science Building and Gymnasium. The most important role he played for us and those who follow us was as a member of the committee for Accreditation. As we go forward into the world we will continue to remember . . . RUSSELL BALDWIN.

Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run the race that is set before us, looking unto Jesus . . . Hebrews 12.

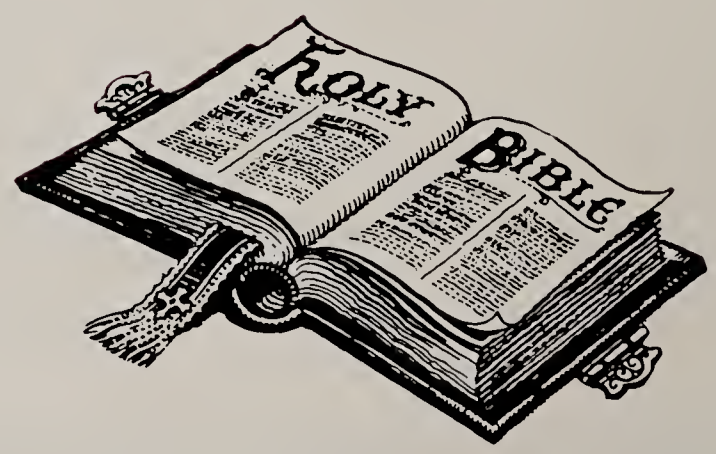
REVIVAL



The Rev. Mr. Quinton J. Everest

On September 15, 1966, Dr. Woodrow Goodman, president of the college, officially opened the new library for use by the students. The building had actually been in use for some weeks but the opening day of school seemed the most appropriate time for the formal act. The dedication was held on the weekend of homecoming.

Serve the LORD with gladness; come before his presence with singing.

Know ye that the LORD he is God: it is he that hath made us, and not we ourselves: We are his people, and the sheep of his pastures.

Enter into his gates with thanksgiving, and into his courts with praise: be thankful unto him, and bless his name.

EUREKANS EXTINGUISHED . . .

Guiding the Eurekans in combat this year were co-captains Gordy Grafton and Sam Ross. These two veterans along with returning players and new first year men hoped to again have a successful season for the Green.

Grafton pointed out that with the determination of the squad they could again have a successful season.

The Marionette staff then said "Good Luck" to the Torch-Bearers this season.

BACK ROW (l. to r.)—Coach Rickard, T. Hill, Hyman, Hand, Brambly, Burke, Mealy, Shirley, Van Kuiken, Huckeby, Satterfield, Dolley.

FRONT ROW—Green, Morris, Gonser, Kenworthy, S. Hill, Johnson, Simmons, Pearson, Mansfield, Talbott, Battson.

. . . VIKINGS REBUILD

As the Vikings came out with a large squad this year, it looked like the future was bright for the Red & White.

Heading the Amphics this year were tri-captains Kit Simmons, Mike Burke, and Terry Talbott and Coach John Earnest. The line consisted of newcomers. Because of the large turnout, the Amphics were hopeful and optimistic at the coming season.

The Marionette staff then said "Good Luck" to the Vikings this season.

VIKINGS TRY SWEEP . . .

. . . torch bearers fizzle

As the Amphics showed a surge of power, the Eurekans kept trying.

Led by quarterback Larry Mealy, the Amphics romped the Eurekans 41—0 in the first game.

The Amphics found the going a little tougher in the second game however barely squeaking by with a 14—8 victory.

As the third game rolled around the Amphics still showed poise and confidence by winning decisively 21—8.

It looked as though the stage was set for Homecoming. The Vikings were showing promise but the Green wasn't down yet.

VIKINGS RED HOT

van meets the green

Homecoming Day 1966 brought cries of joy and sorrow for football players. Of all football games Homecoming is the most important. This time the Vikings were led by Winston Mansfield and Van Johnson along with a team effort by showing the fans that the "Red River" was still flooding. The Vikings glided home with a 28—0 victory.

This year's football was exceptionally good with talent on both sides.

The staff now congratulates the Marion College Intramural Staff for trying to make this all possible.

Sophomores Capture Second Straight Title . . .

Drippling along . . .

A balanced scoring attack and a patented fast-break were just too much for the other class teams, as the Sophomores won six straight games, and thus completed an undefeated season. This is the second straight year that the Sophomores have won the title, as the then Freshmen captured the title.

The first game saw the Sophomores completely control the ball and the rebounding to whip the Freshmen 96—77. Dave Powell led the Sophomore attack with 25 points, while Ben Banks hit 21. In the second game the Sophomores completely humbled the Seniors, 95—54, as Larry Mealy led the attack with 24 points. The only real contest that the Sophomores had was in the third game, where the Juniors battled them to an exciting 89—86 triumph. The score was close throughout the game, and with only seven seconds left and the Sophomores leading 87—86, Marshall Stewart hit one from underneath, thus icing the win. Once again the Sophomores defeated the Freshmen, this time very easily, as the Sophomores won 107—76. Jerry Carter led the scoring with 29 points. When the Seniors met the Sophomores for the second time, it was again no contest, as the Seniors were humbled 114—63. Dave Powell led the attack with 30 points. The final game of the season saw the Sophomores take the championship with the score 92—66.

. . . COMPLETE PERFECT SEASON

"Go away bad dream"

Freshman's Late Rally Causes Tie with Juniors . . .

"Up for 2"

The Freshmen, after losing their first two games, rallied back to tie the Juniors for second place. On the other hand, the Juniors won their first two contests, and looked like a strong contender to the Sophomores early in the season.

In the first meeting of these two teams, the Juniors won by a very narrow margin of 73-69, as Bill Coe hit 24 points in the winning cause. However, in the second encounter with the Juniors, the Freshmen proved to be just too much, as the tall front line of the Freshmen out rebounded the smaller Juniors to aid in the 88—72 victory. Terry Hill led the Freshmen with 18 points.

As the Freshmen ran their record to 3—3 for the season with an easy victory over the Seniors 82—75, the Juniors were playing the undefeated Sophomores, and before this game the Junior record was 3—2. With the aid of the Sophomore win, the Freshmen were thus able to end the season with an identical record as the Juniors, and thus finish in a tie for second.

The President's Message

We are living in an age of change. In many areas the new is desirable, but in some concerns the old should be retained. New buildings and instructional facilities should be in accord with the best available. But this campus development with its attendant problems of finance is but the shell of the college. These things we ought to do. But there should be a deeper concern with the dynamics of a Christian college which involve, among many other things, the acceptance of the Word of God as our standard of faith and practice, the commitment to the Christian faith as a frame of reference in all disciplines of learning, and righteousness in personal conduct. These things comprise the soul of the college and require the wholehearted cooperation of the trustees, faculty, and students to achieve.

Who's Who

in American Colleges

and Universities

"To stimulate and to sponsor educational, civic, and cultural interests and activities in the community"

—Hostess House

Ten students have been honored by their selection for Who's Who in American Colleges and Universities. These students are selected on the basis of their academic, social, and cultural contributions to the life of the college.

The site chosen for the pictures was the beautiful and palatial Hostess House in Marion. This historic colonial mansion is the site of the Women's Club of Marion and the location of the Senior Tea held for graduation women in the spring each year.

With this connection and the stated purpose of the Hostess House in mind we are indeed grateful and present the 1967 . . .

DESIDERATA
(As presented by Artist, Ray Strong, March 3, 1967)

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

Running a furniture store

is like running for class president

No politician gets elected time after time unless he works hard to please the people. So it is with us. We know that nobody has to elect us to provide beauty for their home. That's why we're on a constant campaign to please people. We work hard to keep informed. Our interior designers and salesmen keep up with the newest trends and use their talent to invent new ways to design a home. Your votes of confidence tell us we are succeeding in our campaign.

can you imagine building today's autos by hand?

Back in the old days, that's the way they did it. Automatic presses didn't stamp out whole auto bodies and engine blocks in seconds. There were no automated assembly lines for mass production and no precision machine tools.

Automatic machines brought greatly reduced labor cost and new accuracy and speed in production. The result is a far better product than by hand and at a lower cost for the car-buying American public. Now almost everyone has a new car and some two or three.

Automation has given us the highest standard of living in the world and the greatest degree of individual freedom.

At I&M, automated methods have enabled us to provide many more new jobs; to improve our methods of generating and delivering electricity; and to provide our customers with improved, low-cost electric service in the bargain.

Stand-By America

For everything there is a season, and a time for every matter under heaven:
a time to be born, and a time to die;
a time to plant, and a time to pluck up what is planted;
a time to kill, and a time to heal;
a time to break down, and a time to build up;
a time to weep, and a time to laugh;
a time to mourn, and a time to dance;
a time to cast away stones, and a time to gather stones together;
a time to embrace, and a time to refrain from embracing;
a time to seek, and a time to lose;
a time to keep, and a time to cast away;
a time to rend, and a time to sew;
a time to keep silence, and a time to speak;
a time to love, and a time to hate;
a time for war, and a time for peace;
What gain has the worker from his toil?
